

IMPACT AMERICA CRUSADE!
Will you help? HOW can you help?

Its on! Our initial budget is \$10,000 to be raised before we head to Springfield on April 24. These funds will transport the team, feed the team, house the team and take care of them the week of the crusade. These funds will allow us to give cash gifts, drawings for bill pays, distribute small appliances, etc. for those who attend.

These funds will bless the children that attend as we give away prizes, food, gifts cards, toys, and candy. We will be a blessing to this community and help establish them there in a local church. We will go and preach Jesus and his love, however we will do more than preach his love to the people. We will be SHOWING THE LOVE of Jesus as we meet and bless the needs of those in this community. There will be little or no expense to the local pastors or churches. Our heart is to raise this budget in advance and be a blessing! The result will be people will come and over 500 souls will come to Jesus Christ!

How can you help? Consider the following:

Want to help? Here is How...

- Pray! Pray for an outpouring of the Holy Ghost on Impact America Crusades. Pray God will fall on every city
- Sow a financial seed. Is God asking you to support us in this soul winning endeavor? Could your business support this budget with a tax deductible contribution either one time or on a monthly basis for future crusades?
- Could you give personally? Is God speaking to you to help Impact America through Impact America Crusades?
- Could you donate a gift card or gift cards? Could you donate toys, give candy, provide finances to buy pizza for the kids on kids day? Could you donate small new appliances, coffee makers, toasters etc. Do you have a business that could donate printing cost for flyers. Do you have a good automobile you would like to donate to give to another?
- Do you desire to sow a financial seed to provide hotel rooms, or food for our teams. Could you sow to provide transportation for the team as they travel to and from the crusade and on the ground at the Crusade location?

TIM SUTTON MINISTRIES INTERNATIONAL

**Stirring The Church for the Harvest!
 Taking Jesus to the Streets, the Church, and the Nations!**

This IS our purpose! For many years we have done just this! We have conducted outreach in churches, SWAT Attacks in the streets, and ministry to churches here and worldwide. We have worked taking Jesus to the streets Mardi Gras. We have assisted with outreach and soul winning with other ministries such as Chariots of Light and Wings of Life. We have attended biker rally outreach all across the country for the purpose of winning souls. We have conducted services, and soul winning training in churches to encourage them to get out of the four walls of the church win the lost. For many years we've taught evangelism school in our local church and round the world to raise up teams for the harvest in the streets. We have ministered in Salvation Army Corps and churches and continue to minister at Salvation Army Adult Rehab Centers. We have taken the gospel to churches here and in mission countries around the world! These things will continue but God is saying new things exciting future things!

IT IS TIME! IT IS TIME FOR A NEW LEVEL OF MINISTRY AND EXPANSION THAT WILL IMPACT CITIES AND BRING IN THE END TIME HARVEST OF SOULS! WILL YOU BE PART OF IT?

Many years ago... God said it!

On January 23, 1994 Gwen and I stood before our Pastors JB and Susan Whitfield as Pastor ordained me under the ministry of Agape Faith Church. During the prayer that followed prophetic utterance began to be decreed of myself and my wife. "Words of wisdom and words of knowledge have lied dormant." Prophetic anointing was evident and to my wife Gwen the Holy Ghost said, "Pray in the Holy Ghost like never before for I will speak cities that you will give to your husband and he will go and set up meetings where hundreds and thousands will be won into the Kingdom of God because of the word that has been put into your spirit." "Rise up and pray in the Holy Ghost because it is within you. I will plant that seed!" In October of 1995 Evangelist Wayne and Sue Moore were with us at Agape Faith Church. Calling us out of the audience he began to prophesy to me. "Your head and your spirit have been battling. Your head seems right, but your spirit is right. Right decisions are made by the Spirit. Prosperity in ministry is coming not just to little places, but God says you've been faithful over little and much is about to take place!" "A turn and a change, a turn and a change!" In December of 1995 following a mission trip to Jamaica where I lead a team from our church my Pastor prophesied over my life. The Holy Spirit said, "You (Tim) shall lead teams all over the world!"

A TURN AND A CHANGE... .

God said, "a turn and a change is coming!" After over 20 years I know we are about to experience this turn. In recent days I have felt holy dissatisfaction knowing in my heart that change is imminent and that God wants more for us in ministry. After over 20 years our SUDDENLY has come. In the timing of God a turn and a change has come! What is it? It's a new level of ministry beyond our regular

DAYS OF GLORY!*

Saturday outreach and evangelism school. It incorporates our past ministry, but brings a new level. A new level with a goal of IMPACTING cities, churches, and local communities for Jesus Christ all over America! God said to call it, "IMPACT AMERICA CRUSADES!" It brings a new level of souls, harvest, and healing to cities, suburbs, and rural communities all around our nation.

IMPACT AMERICA CRUSADES NOW!

When? Initially 3-4 times per year Tim Sutton Ministries teams will hit the ground running in each of these cities. The ministry will raise finances first before each of these crusades that will allow us to GO with a team and touch that community. Working with a local pastor or pastors the team will hit the ground with funds that have already been provided to shake that city. These advance funds will be a blessing to them and their city. These funds will allow us to bless that town when we arrive on the scene. When we arrive our team will distribute 6000-8000 flyers from

house to house, in schools, in stores, in businesses, etc. These flyers will declare come and be blessed. The flyers will advertise cash prizes, bill pays, auto give always, gift card gifts etc. We will give 500 and 1000 dollar bill pays, We will have kids days with free pizza, toys, candy, bounce houses and the like. Fish will come for bait. This is a principle we have used for many years in our Saturday outreach events. In addition to the evening crusade we will conduct our traditional Saturday outreach. The flyers will proclaim free stuff and they will come! Fish come for bait but they will receive so much more. THEY WILL EXPERIENCE LIFE CHANGE! They will receive healing, deliverance, and salvation. They will be forever changed by the word of God! Cities and communities will be IMPACTED! Any converts will be referred to the local pastor or pastors that involve themselves in the crusade. We will IMPACT AMERICA! We will see God change cities. We will experience revival across the nation with IMPACT AMERICA CRUSADES!

YES! The first crusade is scheduled!

April 24-30, 2017 in Springfield, MO! Impact America crusade four nights of glory! Our team has been formed already and seven men and women will head to Missouri. Along with Pastors Gary and Kim Miller of New Creation Family Church our team will impact this community for Jesus! We will touch thousands and distribute free blessings. People will come and we believe 500 or more decisions will be made for Jesus!
