

IMPACT AMERICA CRUSADES

Our team will go when you sow!

Before every crusade we believe to raise \$6000 or more in advance. These funds will allow us to purchase gift cards give cash gifts, drawings for bill pays, distribute small appliances, etc. for those who attend. These funds will bless the children that attend as we give away prizes, food, gifts cards, toys, and candy. These funds also help to transport our team and provide for their some their needs the week of the crusade. We will be a blessing to this community, win souls to Christ, and help establish them in a local church. We will preach God's love while also SHOWING THE LOVE of Jesus to that community. Of course local ministries will work with us but because of our financial partners it will help alleviate added financial pressure and bless the people. In short If you can sow we can go!

Here are several ways to give to our ministry:

- **Donate online at www.tsuttonministries.org**
- **Text to give: Text give2tsmi to number 44321**
- **With Credit/Debit Fill return enclosed forms**
- **Mail your gift to Tim Sutton Ministries via US Mail to PO Box 32 Lewisville, NC 27023**

Want to help? Here's How...

- Pray God uses Impact America Crusades to win the lost
- Sow a financial seed. Consider sowing finances to support Impact America Crusades monthly or as needed per event
- Would you give personally to reach the lost for Jesus?

When you give we will:

Conduct a community festival that will bless the people. We will purchase gift cards, assist with bill pays and cash give aways to bless the people. We will give small appliances, such as coffee makers, toasters etc. We will purchase toys, candy, and bless the children. We will give free pizza on kids night etc. Why do we give? Fish come for bait, but first we will preach the gospel, lift up Jesus, and see the lost come to the Lord! People will be saved, healed, touched and set free! This WILL bring revival! This WILL bring the lost to Jesus! This WILL Impact America!

Are you one in a thousand? Join us!

Please believe with us for 1000 monthly partners as follows:

- We believe and receive 100 Business owners that would commit a recurring gift of 100.00 per month
- We believe and receive 50 Churches that would adopt Tim Sutton ministries as one of their missionaries to the streets and give a recurring gift of 50.00 per month
- We believe and receive 850 individuals that would give a recurring gift of 10.00 or more each month.

Many giving little becomes much when multiplied by Jesus!

Our Purpose We Are: Stirring the church for the harvest and getting them out of the four walls into the streets! For many years we have done just this! We have conducted outreach in churches, SWAT Attacks in the streets, and ministry to churches here and worldwide. We've taken Jesus to the streets during Mardi Gras. We have assisted with outreach and soul winning working with other ministries such as Chariots of Light and Wings of Life. We have attended bike rally outreach all across the nation for the purpose of winning souls. We have conducted services, and soul winning training in churches encouraging them to get out of the four walls of the church to win the lost. For years we taught evangelism school in our local church and around the world to raise up teams for the harvest in the streets. We have ministered in Salvation Army Corps and churches and continue to minister at Salvation Army Adult Rehab Centers. We have taken the gospel to churches here and in mission countries around the world! These things will continue but God is saying new and exciting future things! The harvest is here!

Many years ago... God said it!

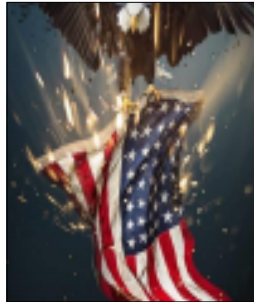

On January 23, 1994 Gwen and I stood before our Pastors JB and Susan Whitfield as our Pastor ordained me through the ministry of Agape Faith Church. During the prayer that followed prophetic utterance began to be decreed over us. "Words of wisdom and words of knowledge have lied dormant." Prophetic anointing was evident and to my wife Gwen the Holy Ghost said, "Pray in the Holy Ghost like never before for I will speak cities that you will give to your husband." He will go and set up meetings where hundreds and thousands will be won into the Kingdom of God because of the word that has been put into your spirit." "Rise up and pray in the Holy Ghost because it is within you. I will plant that seed!" In October of 1995 Evangelist Wayne and Sue Moore were with us at Agape Faith Church. Calling us out of the audience he began to prophesy to me. "Your head and your spirit have been battling. Your head seems right, but your spirit is right. Right decisions are made by the Spirit. Prosperity in ministry is coming not just to little places, but God says you've been faithful over little and much is about to take place!" "A turn and a change, a turn and a change!" In December of 1995 following a mission trip to Jamaica where I lead a team from our church my Pastor prophesied over my life. The Holy Spirit said, "You (Tim) shall lead teams all over the world!" Glory!

Impact America Crusades NOW!

A turn and a change! After many years its here! Our suddenly has come! **What is it?** It's a new level of ministry beyond our regular Saturday outreach and evangelism schools. It is beyond anything we've ever done! Certainly it incorporates our past ministry, but it brings new level.

It's a new level with a goal of IMPACTING cities, churches,

and local communities for Jesus Christ all over America and ultimately the world! God said to call it, "IMPACT AMERICA CRUSADES!" How timely is this name in today's world! It will

bring a new level of souls, harvest, and healing to cities, suburbs, and rural communities all around our nation.

When will this take place? Initially 3-4 times per year

Tim Sutton Ministries teams will hit the ground running in each of these cities. God will bring financial resources before each of these crusades. This will allow us to GO with a team and touch that community. Working with a local pastor or pastors the team will hit the ground with funds that have already been provided to shake that city. These advance funds will be a blessing to them and their city.

These funds will allow us to bless that town when we arrive on the scene. When we arrive our team will distribute 5000-10,000 flyers from house to house, in schools, in stores, in businesses, etc. These flyers will declare free stuff. The flyers will advertise cash prizes, bill pays, auto

give always, gift card etc. In some crusades we will have kids days with free pizza, toys, candy, The fish will come for bait. This is a principle we have used for many years in our Saturday outreach events. In addition to the evening crusade in some cities we will conduct Saturday childrens outreach.

What will happen? Those who attend WILL EXPERIENCE LIFE CHANGE! They will receive healing, deliverance, and salvation. They will be forever changed by the word of God! Cities and communities will be IMPACTED! Any converts will be referred to the local pastor or pastors that involve themselves in each crusade. We will IMPACT AMERICA! We will see God change cities across our nation. Thousands will be touched with and by the gospel of Jesus Christ! We need you! Would you help us financially? Would you please sow and we go!
